

Dear customer,

As per your horoscope, you are kanya lagna/mithun rashi, running through the mahadasha of Saturn mahadasha and venus antardasha. First of all you are someone who is quite wise speaker, you know very well how to speak and convince someone with your words but sometimes people consider you a harsh speaker. You are someone who is very organized too. Now as per your question we have to look at following points:-

- 7th lord and 7th house
- Natural significator of husband JUPITER
- Navamsha
- Points in ashtakvarga of 7th house
- Seeing relation with in-laws using HOUSE TO HOUSE technique
- Transit

Now as per your question about husband and married life and in laws, we will take all the things one by one, first we will look at your seventh house, your seventh house is occupying meen rashi and its lord is sitting in the second house which means your husband will be highly intelligent and will have good money with big heart. He will be highly ethical and spiritual

person. Good complexion, well formed body, tall, slender in youth but tendency to stoutness in middle age, smooth, brown to black hair, blue or brown eyes, passionate, parrot like nose round or oval face, good features, curves and contours of body are regular, he may have dimples, good looking graceful and youthful appearance with sweet smile and with attractive countenance. Almond eyes which speak themselves. Such persons look younger than age normally. Now we will look at your navamsha, here again your 7th lord is sitting in 2nd house and it again indicates that your husband will be very handsome may have high authority along with emotional heart. Now ashtakvarga is a technique by which we gives points to the quality of marriage, your seventh house is having 28 points which indicates perfect and forever married life. he will be understanding nature and this will be pillar of your marriage.

Now for seeing the relation with in-laws, we have to use house to house technique. According to that we will look 10th house for seeing the relation with mother in law will be good. Definitely you may have mother in law who will be equivalent to your own mother and she will have deep attachment to you. Now for the father in law, we

will see 4th house, your 4th house lord is sitting with sun and venus indicates. your father in law will be very rich and a ethical man himself and the planetary position indicates that you will definitely have coordinational relation with your inlaws too. in 2020 you may meet your actual soulmate as in transit you will have Jupiter in the 7th house from moon which will be highly positive for letting you meet your soul-mate.
